

Dear Prospective Family.
Thank you for your interest in The Premia Academy.
We are delighted to share more information with you about our school,

The admission process at our school involves the following steps:

- Fill in the inquiry form and procure the admission application.
- Submit the duly filled application along with the application and processing fee.
- An interaction with the child will be scheduled, along with a discussion with parents.
- The admissions office will arrange an appointment with you, for one to one counselling and a complete school tour. This is an opportunity for the faculty to meet with parents one-on-one, learn more about the family's goals for the child's education and answer any queries that the parents may have.
- The process will be completed once the parents submit enrollment packet and pay the fees to block the seat.

Families are admitted once the full admission process is completed on a first-come, first-serve basis. It is mandatory to provide the original transfer certificate from the previous school if applicable before the child begins schooling with us.

Please feel free to be in touch with our Admissions office with any questions you may have.

Thank you again for considering The Premia Academy and allowing us to serve your family.

Sincerely,
Admissions Department.
